REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The independent claim 1, is allowable over the applicant's argument and prior art of record and none of the references, either alone or in combination, discloses or renders obvious for clock control circuit adapted to reduce the first clock rate in response to a clock control signal and provide a power-reduced UART [universal asynchronous receiver/transmitter] mode in which the serial communication circuit is adapted to continue communication of serial data at a second rate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
